UNITED WAY SPONSORING FREE FLU SHOTS

FamilyWize Community Service Partnership, together with Walgreens, the Department of Health and Human Services, and United Way, are providing a series of community health clinic events at no-cost to make flu vaccination more accessible in underserved communities throughout the country. These organizations are working together to help deliver flu shots for uninsured and underinsured residents, and encourage preventative measures heading into the winter months and the peak of flu season.

The Centers for Disease Control and Prevention (CDC) recommends a yearly flu vaccine for anyone six months of age or older to help protect against the seasonal flu epidemic. December through March is peak season for flu activity and individuals are urged to take preventative measures to keep themselves and those around them healthy.

At 8:00 am on Saturday, December 16, 2017, at City Hall in Downtown Alexandria during the Rotary Club’s Doll and Toy Fund event, Walgreens will be administering no-cost flu shots for all those who qualify for a flu shot voucher. The vouchers are available on a first-come, first-served basis, while supplies last and are provided by Walgreens as part of a nationwide program that helps to make flu shots available to those without health insurance coverage or are unable to afford a flu shot.

• Donate Items

The season of giving is upon us. Help spread the holiday cheer! Find donation requests and volunteer opportunities in United Way’s 2017 Holiday Wish List.

No other organization is better equipped than the United Way to connect volunteers to the needs in our community. The Holiday Wish List is designed to provide you with information on the needs of agencies serving central Louisiana. Each of our partners highlights items and volunteers needed during the holiday season, as well as year around.

You can make a difference in the life of a child, family, older adult, organization or individual during the holiday season. This guide will provide details on donations, volunteer opportunities and “fulfilling wishes”. The Wish List gives people in our community the opportunity to share the giving spirit and help others during the holiday season.

Remember the Holiday season comes once a year, but volunteer opportunities are available all year long! The best Holiday gift you can give our community is your commitment to service. Please visit www.uwcl.org for your copy of the United Way Holiday Wish List today!
SEASON’S READINGS

On Saturday, November 11, 2017, United Way and Rapides Early Childhood Network (RECN), will be hosting the 4th Annual Season's Readings event.

Join us in the Downtown Alexandria Mini Park from 10:00 am to 12:00 pm for fun activities, face painting, storytelling, train rides and books to take home all for free thanks to our sponsor, Luneau & Beck, LLC.

Early childhood education is an important focus area for United Way, and by hosting this event, we are not only putting books into the hands of children, we are spreading awareness of the importance of literacy and reading to children.

HOLIDAY WISH LIST

While most people know United Way for investing in local non-profits, we also promote volunteering and giving back of our time to the community. Each year, we compile a wish list from many agencies in our community for the holiday season.

Check out our 2017 Holiday Wish List! This packet is full of volunteer and donation opportunities for over 25 non-profit agencies in our area. If you are looking for a way to give back this holiday season, you can view the full list at uwcl.org/holiday-wish-list.
